Organized by

Department of Physical Education, Nistarini College, Purulia

In collaboration with

Shri Dadasaheb Gawai Charitable Trust, Amravati (M.S.)

Department of Physical Education and Sports

Dr. Babasaheb Ambedkar Mahavidyalaya, Amravati Maharashtra

Date: 15th July 2023, Time:10am

About the College:

The genesis of NISTARINI (WOMEN'S) COLLEGE, one of the premier academic institutes in the State of West Bengal is intimately entwined with the cause of women's education. The institution was first conceptualized in the Summer House of Deshbandhu Chittaranjan Das – whose family had significantly fostered women's education in Bengal and was an integral part of the national freedom struggle.

Sri Bhuban Mohan Das and Smt. Nistarini Devi, parents of Sri Chittaranjan Das came to reside in this house in the year 1902. Both of them were dedicated social workers and pioneered in introducing higher education among the women folk of this place. Amala Devi, their daughter started a school to impart higher education to the girls of Purulia.

Sri Chiraranjan Das, son of Deshbandhu Chittaranjan Das, fell seriously ill. The then Chief Minister Dr. Bidhan Chandra Roy came to attend him and was impressed by the 'Sankirtan' assemblage of Harijans in this house. As a result of the Chief Minister's own initiatives and the request of the eminent leaders and social workers of this district (Sri Jimut Bahan Sen et al) an educational institution for women was set up. Thus, the Summer House of the family was converted into Nistarini (Women's) College.

For the renovation of this Summer House the College first started its journey in a rented house named "Swapan Puri" at Ranchi Road on 17th day of August 1957. The college was shifted to its original abode, i. e., the Summer House of Deshbandhu Chittaranjan Das on 16th April 1958, and the Hon'ble President of India, Dr. Rajendra Prasad, laid the foundation stone of the main academic building on **6th November 1958**.

Location:

The college site is situated at Deshbandhu Road Purulia, the heart of the Purulia Town. The college is situated from Purulia Railway Station to two and half km and two km from purulia Bus stand. Surrounded by a calm atmosphere, the college provides an appropriate ambiance for education free from the dim and bustle of the town, amidst pristine nature.

About the Seminar:

Living a fit and healthy life has become a major goal for human beings nowadays. However, that has also become a challenge for people. The same assumption holds truth for education. However, with proper education we are able to keep life healthy and fresh.

Through this seminar, an awareness will be created among everyone about good health and wellbeing. The various challenges will be addressed and their solutions are expected to emerge from the researches of the participants.

Report on One day (21.02.2324) State Level Seminar
Topic: “Global Crisis of Mother Language”

On February 21, 2024, a discussion of Seminar titled “Global Crisis of Mother Language” was organized by the Bengali Department of Nistarini College to celebrate International Mother Language Day. Writer Bimal Lama was the speaker of the seminar. Dr. Subal Chandra De, the President of the Governing Body of the College, Dr. Indrani Deb, Principal, and Dr. Prabir Sarkar, Former Head of the Department, were present at the seminar. The presentation of the Research paper by the ten Researcher was quite eye-catching. One hundred and thirty five students of the college were actively present. In addition, various professors and teachers of the college showed signs of activity in this seminar.

Our mother tongue, which we knew from our childhood, has now become a mixed language with a mixture of different languages. We have forgotten to speak pure Bengali, as well as to write it. There has been ambiguity in pronunciation, various systematic changes in spelling rules have brought complications in the application of the language. Not only Bengali, but also in various languages, such an artificiality has been created where the complexity of life is mixed with caste, religion, and colour. In a particular province, people who use their mother tongue are fighting a death struggle and a nervous battle of emotions to give importance to English or in some cases Hindi or Urdu as the working language. In this context, this seminar of the Bengali department has gained special prominence.

Inauguration Session: On stage Principal, Nistarini College, Sri Bimal Lama (Resource Person) and Controller of Examination, SKBU.
